

# Accepting Group Invitations on ISM

Below are the steps needed to accept invitations to your child's ISM classroom groups. High School please note your child will not have an ISM group for RAP and Seniors do not have ISM groups for 1<sup>st</sup> or 7<sup>th</sup> period. Thank you!

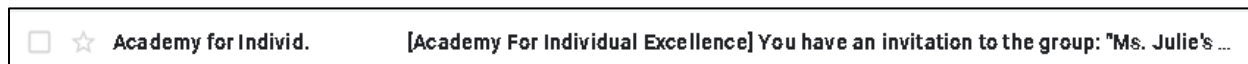

**When you receive an invitation to join a group you should see a notification dot on the bell icon in the top right corner of the page.**

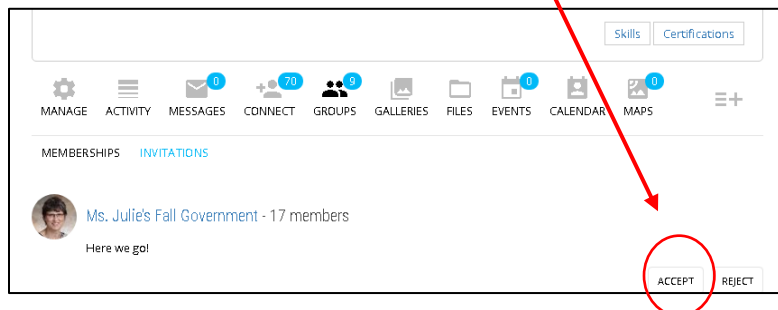

**If you hover on the bell you can see the notification. Click on that notification.**

**You will also receive an email from ISM regarding the invite, which might look like this:**

**This will take you to your Groups page and group invitations. Accept the invitation and you are set!**

**If you click on the word "My Groups" on the side bar of your page you will be taken to a page all of the groups you are a member of.**
