

Job Posting: Math Teacher

Job Summary

At the Academy for Individual Excellence, we strive to enable children to achieve their individual best, thriving in a family-centered educational community focused on engagement, accountability, compassion and work ethic. Our school has developed a philosophy and approach that allows our teachers to teach the students and not just the material.

The Academy is seeking a dedicated and engaging Math Teacher whose values and work ethic are aligned with our organization's mission and purpose. This position requires an instructor who is able to teach different levels of high school mathematics.
